**Statement from Jean Stephens, Managing
Director – Wirral Evolutions Ltd**

Wirral Council Adult Social Care and Public Health
Committee had a meeting on 3rd March 2022.

At the meeting they talked about Wirral Evolutions
Ltd.

They talked about what additional value the
company brings to the Council in the delivery of day
services.

Members at the meeting recognised:

✓ Improvements made by Wirral Evolutions

✓ Raising in quality standards

✓ Strong leadership and governance

✓ Excellent response to the COVID19 pandemic

✓ Our engagement with stakeholders

These have enabled the service to be person centred.

And helped people we support build skills.

The decision made at the meeting:

  **WIRRAL To bring back day services into the Council**

This process will begin 1st April 2022.

It is expected to take 6 months.

We are saddened by the decision.

But we will work together with the Council during this time.

We will work with people we support, staff, parents, carers, and family members to ensure a smooth transition for all.

We will share information and ensure effective communication during this time.
